Ref. FOI2017/08917

Dear [REDACTED]

Thank you for your email of 14 September 2017 requesting the following information:

"I would like to make an FOI request regarding Dmytro Firtash, the buyer of the MoD site, Brompton Road tube station in London (Brompton Road 206, SW3 2BQ, London).

Was the property sold through formal/informal tender, auction or private treaty?

What was the date on which the tendering process started?

What was the value of the property sold to Dmytro Firtash?

What steps were taken by the MoD, lawyers or selling agency to check the provenance of the funds used to buy the above property.

Was information about the buyer and the funds used to purchase it reviewed in relation to checks required under the Money Laundering Regulations and the Proceeds of Crime Act by a lawyer or other official?

Were any red flag indicators detected by the lawyers or the MoD in any dealings with the buyers of the above properties in relation to the sale of the property suggesting there were reasonable grounds for knowing or suspecting, that the buyers were engaged in, or attempting, money laundering or fraud?

Was a Suspicious Activity Report sent to the National Crime Agency in relation to the buyer of the above property or funds used to purchase the property?

Did the NCA give its consent to the transaction?

Did the NCA make any comments in relation to the transaction, and if so, what were they?"
